I have since moved to Lebanon, Ohio which is Warren Country. (Loveland is in three counties, Warren, Hamilton and Clermont)

Don't know if this is anyone you might be interested in contacting.

CHRISTMAS GREETINGS - December 2003

Joy to the World the Lord hath come. Let earth receive her King.
Let every heart prepare Him room .
And heav'n and nature sing, and heav'n and nature sing,
and heav'n and nature sing,

Perhaps more than ever, this Christmas season we need to prepare our hearts for the greatest Love Story ... as told in Luke 2. Amid all the troubling news whether it is worldwide or from our own United States, in cities and-towns, the social and moral decay grows worse each day. It is prevalent on TV, the media, Internet, and it has even come into the workplace and family circles. What an opportunity then to share the true Joy of the season, the celebration of the virgin birth of the Babe of Bethlehem and our King of Kings! Let us remember that God's children will be challenged; never forsaken. Our future rests with our faithful and loving Lord and King.

Abide with us, Emmanuel!

◆

By the Grace of our Lord, in January 2004 Helen and Bill will be observing their 58th wedding anniversary. The Lord's bountiful blessings have been in the forefront of our lives. Health wise, both of us have been challenged; Helen more than Bill. Just 12 months ago, Helen sustained a fractured vertebrae (home injury) necessitating hospitalization in Bremen. Osteoporosis continued to affect her with two more spinal fractures. Again Helen was in the local hospital. A leg bloodclot delayed Helen's return home by 10 days. Bill was under treatment for his own back problems during Jan. & Feb. By Easter his recovery was a Godsend so that Bill and Helen could manage their restricted new lifestyle at home. Fortunately, Helen was assisted by Visiting Nurses. On Nov. 29 at home, Helen, with a simple move getting out of a chair, fractured her hip. This called for 3-pin surgery done by a very capable orthopedic surgeon. She is on Medicare Rehab and physical therapy at our local Health Care Center (nursing home). Now Bill spends much time assisting her and is learning the "ropes" for Helen's eventual return home. Visits from out-of- state relatives were further blessings from time to time.

A long car trip by Charley and Cheryl from Texas was a welcomed event in May. They also visited other midwest relatives before heading to their son, Andy's wedding June 14, 2003 in Utah. Andy and his new bride are living in a new home. We welcome Jessica (Green) into the Wildauer clan! Matthew continues his job as a civil engineer in the Salt Lake City area. Micah is a 2nd year seminary student at near-by Fort Wayne, IN. We get to see him quite regularly (some week-ends) as he does his "field work" at St. Paul's Lutheran Church - Bremen.

Our son, Will and his wife Suzi visited us, coming from their home in Portland, OR, and at times when Helen needed them the most. Cell phones have become a common way for communication between Texas, Oregon, and Indiana. This year Bill and Helen did not get in any out-of-state travel, but some of our relatives did. A most appreciated treat. Grandsons, Arick Helmlinger is living in Arizona, and Kai, who makes his home with his wife, Lyn in Colorado, helps make up the rest of the "grandson clan" for us.

Len Wildauer's summer from his Wisconsin address, was a busy travel one. He made family weddings, graduations, etc. — to relatives. Len's visits included several to Bremen. The highlight of Len's summer was seeing his son Mark's wedding of Aug. 2, to a wonderful girl, a Lutheran pastor's daughter, Heidi. She like Mark, a graduate of Concordia University - Wisconsin. Mark and Heidi will move into their first home early in 2004, and will live in the Milwaukee area. Mark and Heidi have been faithful visitors with Grandma and Grandpa here in Indiana.

In these closing days of the year, we would be remiss not to add these comments. Our own Lutheran Church, its Pastors and parishioners have been so supportive reaching out to us both with the love and spiritual help needed. Our cherished regular worship visits have been interrupted somewhat (health reasons) , but at no time did the Lord's presence seem anything but close. May we bid each and all of you the most blessed Christmas, Epiphany season, and a Happy and Blessed New Year. Closing we share this passage :

After the Angels had left them and gone into heaven the shepherds said one to another, "Come we must go to Behtlehem and see this thing the Lord has made known to us". Luke 2: 15 (NEB)

May the Joy, Peace and Blessings of Christmas be with you all !

Dear Bob:

Sorry to have taken so long to reply to your last letter, but I have been somewhat distracted from a number of my pet projects lately. From all the data that I have with regards to the Helmlinger family, you can see that I do not have any with your family name.

In looking at your records, I find that your record 184 and 231 are the same. This could also be about the time that the spelling was changed. In European languages you will find that when the name can be used either for male or female, then the female spelling will have an a on the end and the male will be either"o" or"us" such as Claudia or Claudio or Augusta or Augustus. If you start with my record #2083 Ludwig is the father of Adam RN2147 who is the father of Gustave Frederick RN 2161.

Ludwig Jr. born June 17, 1848
Adam born Aug 7, 1852 brother to Ludwig Jr.
Ludwig had a son named John Adam born Feb 6 1881
Adam had a son named Gustave Frederick born Nov 12 1887

You show this Gustave having his name spelled both ways. Could this be where the spelling changed? Your record #130 is also incorrect. This should be Ludwig.

If you could provide me with the link for the name change and also the family descendents chart for that spelling, I would enter it in the computer and then give Linda Knerr-Ladd a copy so she could put it in the archives at Wapakoneta,Ohio.

I have spent quite a bit of time at the court houses in Sidney and Wapakoneta this summer looking up my mothers family and also my family. I believe that my records are getting fairly accurate with regards to birthdays etc. where that data is listed. I have also spent a great deal of time trying to correct any other mistakes that I accidentally put in the program.

I am guessing that you have retired now and have moved to Indiana. Perhaps we can get together one of these days since we can't be to far apart. Always glad to hear from you and I hope this finds you in good health.

Best regards;

Dear Lucy -   2/3/99

Finally I got you those pages! It's interesting reading - I included Dale's cover letter to my dad. I have never written to Dale - I suppose I should. Anyhow - I don't agree ē all his dates - you can see some of my chicken scratches. I don't understand how different dates will show up for different researchers.

I'll dig out your letter & answer your questions. I've been working on the line my Hinlingers married - Sherwoods & Riegels - & have found documentation back to 1570! It's fun to read the histories & know more than just names & dates.

Well - enjoy this stuff - let me know your opinion -

Jess

Subject: "Packet of Material??"

Hi, Lucy,

About your Feb. 5 e-mail and ref. to a packet of material, and IF I have received it. Answer is "No". Nothing in the mail even today, Feb. 6.

Via regular U.S. Mail I have received only your letter of Jan. 27, -- a two (2) page letter introducing yourself and some of our connections to the Helmlinger clan. When I do receive a "packet" from Ohio of information via U.S. Postal Service, I will reply via e-mail.

Incidentally, recently I have had other personal and family items to concentrate upon, and have done nothing with organizing or assembling some of my material for mailing to you. Be assured that I will not let you down. It is just that I have too many irons in the fire... Do you know how that is sometimes?

In your Jan. 27th letter you state some of your own personal and professional background. I find it interesting about your long term as a Health Commissioner, and background in the nursing profession. I could not have had it better (than I did have) for 34+ years with my association with our three (3) doctor Medical Clinic here in Bremen. More about all this -- maybe someday when we have the time and a place to discuss in more detail.

Perhaps I should ask for your patience in awaiting further Helmlinger Family Tree information from 'yours truly'. I shall not forget your interest. Your Jan. 27th letter, and follow-up e-mail messages has only stimulated me to research more information from your resources. So, that's about it for this Saturday afternoon.

Regards, - Bill H.

Lucy, this family is a puzzle, if you looked at my page and see anything that needs correction I would appreciate it.
I have Christina Helmlinger mar. George Reinhart b 1822, they had son David who mar. Christina Schlin
!Research done by Lydia Gross, Aunt to August Reinhart of Mesa, Ariz.: David was baptized as a Helmlinger but he was raised by his grandparents Michael and Magdalena Reinhart.
August Reinhart is desceased and I never worked with his Aunt but he was a diligent researcher. Most of my info. came from cousins who lived in Wapakoneta, one close to the court house and I assumed they had the right info. from there. None of us is perfect.

Hello, Helen, Thanks for writing. I have a Christena Helmlinger b. 1844, dtr. of Lewis and Christina Munch Helmlinger who married a David Rinehart & had Magdalena, who married Philip Scherer; Leiw; David who married Sarah Kies; Adam who married Sophia Elsass; Jacob, who married Nellie Swartz; and Christena, who married Fred Jerome. I knew I had other Helmlingers connected to the Rineharts(Rhineharts-Reinhart), but can't seem to connect this Fred Rinehart with anyone. He evidently had been married before and had a young son Fred, when he married in Feb. 1859 in Shelby Co.OH. to Elizabeth Lewis Helmlinger, a widow with four chn. I found them on the 1860 Auglaize co. OH. census living in Washington Twp., but could not locate them in 1870. Elizabeth was born abt. 1827 and this Fred abt. 1830, according to the census. Thanks for writing. Lucy Weaver, Defiance,OH. north@defnet.com

Subject: Packet Arrives

Hi Lucy,

The word "amazing" is all that I can think of as I opened the packet that arrived this Friday morning, in fine condition. Amazing the work you have done for the respective genealogy groups. Amazing the material you must have collected, still collecting, and stored on the computer file. I still feel badly about the fact that you had to run a duplicate copy or set of this information that I now have and will treasure immensely.

Briefly I just scanned through your mailing. Not too much time to digest it all. What a joy to have received it! However, I will have to postpone for some days further examination of the material or getting some of my information in a form for mailing.
Thank you so very much. You are a gifted person and have worked diligently over the years to reach this point. The Name HELMLINGER has a new meaning for me.

I will be keeping in touch, - Thanks again.

Bill H.

Lucy,
Sorry it took me so long to write you back, but we have been helping our son fix up a house so he can move into town. I finally got to look for the things I wanted to send you. After I figure the e-mail out of how to ged. com. in and send a ged, I'll try sending you all of what I have on the Helmlinger. For now I sent a dec. chart. I have 2 diferent papers on the Helmlinger's. One is by Wm Helmlinger and the other a Judy Helmlinger, I think. I copied all the deeds from Allen Co., Oh for Lewis and your Jacob. It mentions an estate. Maybe from Lewis wife's family??? Is the Louise Helmlinger b. 1 Nov 1802 a female or male? Maybe this Lewis is that person. Your Jacob is listed in the papers of Wm H's. I'm thinking now that I found a probate on him in Marshall Co, too. I'll look again and inclose it if I find it. I thought your Catheirne was a Zorn, becuuse I thought I found a Bio on that. But it would be in my Zorn's stuff. The Anton Helmlinger must be related to us also. I found him in Ks on the 1900 soundex. I believe that Lewis Helmlinger was in the Mexican War in Ohio. I've put that on the back of the Anton one. I was wrong it appears to be that Jacob died in the 1860's, so it must be 1863. There is an estate in Marshall Co. for him. the date on it was 1866. I'll copy that for you. So glad you straightened me out on the line. I have some changing to do. Well, I'll close for now and get those other's copied. I'll try to get this mailed off tomorrow. At the latest Wed. Here's my address. Mrs. Jerry Lester, 520 North Highland, Chanute, Kansas 66720-1336. I feel like I need to move to Ohio sometimes. I do so many lines there. I have a Cooper line in Stark Co. Just found that out a few months ago. Don't have much on them, yet. Need to run. Later.

Dear Lucy,

Searched Auglaize Co Mg Book and found mentioned Helmburger kids but not the mother.

Checked Shelby Co Mg Book & I believe the enclosed pgs are the correct date but Elizabeth's surname misspelled.

Pardon my writing paper but can't locate my tablet.

Sincerely,
Ellen Poer

Dear Ellen,

Thank you so much for your thoughtfulness in answering my query in the OGS Newsletter. I think Elizabeth Heminger is probably my Elizabeth with the surname misspelled. The date is about right since her first husband died about 1851. Also her maiden name was Lewis and I see on the same page that a Fanny Lewis married a James Blakely and a Lydia Lewis married a Samuel Blakely. Often sisters married brothers.

Will have to look at the census of Shelby Co. more closely to see what I can find. Sure were a lot of Blakely marriages.

Am enclosing 2 postage stamps(don't have the new 32 cent ones yet). Perhaps you can use these in future genealogical correspondence.

Sincerely,

MIAMI VALLEY

Dear Ms. Weaver:-

Some time ago I read in the Tri State Trader that you would like to hear about the Helmlinger family that settled in Auglaize and Shelby County. Sometime around 1828 Ludwig Helmlinger and his wife Christina Munch emigrated to America from Alsace-Lorrain and settled in the South part of Allen County now known as Auglaize County. Here they bought land from the government at $1.25 per acres, built their home, raised their family and lived their entire life. Their family consisted of at least five boys and three girls that I know of and they all married and had families. Of the original family there are two granddaughters still living and they are both in their nineties, but there are many great grandchildren and their families living in this community.

I don't know what else you might want to know. My mother was a granddaughter of the first family and she married Jacob Gorn. I am eighty years old and my wife and I have been married over fifty five years. We have two sons, eight grand children and ten great grand children.

Yours Truly
Ernest Gorn

15080 St Rt 65 Jackson Center, O. 45334

P.S. Please write as I am interested in knowing what your interest is in the Helmlingers family or if you are near Jackson Center stop in. We live South of Jackson Center 1¼ miles on State Route 65

Ernest Gorn

Hi Lucy,
Don't know if this will be of any help, but...I was looking at the 1870 census for Adair through Bollinger Counties, Missouri today and remember seeing a number of Elizabeth LEWIS'. Thought maybe if you checked, you may find possibly her mother of the same forename. Anyway, thought I'd throw it your way for whatever it's worth.

CHRISTMAS GREETINGS - December 2002

Lift up your heads, ye mighty gates. Behold the King of Glory waits.
The King of Kings is drawing near. The Savior of the world is here.
TLH 73 & Ps. 24: 7 - 10

Amid our sinful world of terrorist threats, tragedy, and trouble we see only undesirable events going into the history books. In contrast are events of 2000 years ago. These true Biblical accounts gives us hope. Again in Advent season we prepare to celebrate Christmas, the virgin birth of the Babe of Bethlehem and the King of Kings. This is the event on which the eternal life of all mankind depends. As we reflect upon the year past, clearly we see the Grace of our Lord in our lives and His bountiful blessings. As God's children we have been challenged but never forsaken. Our faith , trust, and hope in the future rests with our faithful and loving Lord and King. Abide with us, Emmanuel.

In January, God willing, we will observe our 57th wedding anniversary. In 2003 each of us will observe birthday # 82. Aging calls for a slower lifestyle. Trips to medical facilities are more frequent than road trips to relatives. Our general health has been reasonably good. Our partnership in daily living has been a blessing and has sustained both of us in a way only a Gracious Lord can. With Bill doing the driving, Helen the co-pilot, we made the trip in May 2002 for a visit with Charley and Cheryl, plus attending the college graduation of grandson, Micah from Concordia University in Austin, TX. Bill still likes driving the 2001 Buick. Around home Bill still enjoys lawn and summer work outside, and he spends time on the computer files and some e-mail (no InterNET).

THE HELMLINGER Clan: Our son, Willie, and his wife Suzi live in Portland, OR. Our grandson, Kai and wife, Lyn, live and work in Denver, CO. Grandson Arick is working toward his college degree in the computer field. Both Arick and his mother, Lois live in Tucson, AZ. Willie made a week-end flight to Indiana for a Bremen High School Class reunion and had a fine visit with us in early August.

THE WILDAUER'S of Texas and Utah: Charley and our daughter Cheryl,still live at Allen TX (1,500 miles from Bremen) and are active at Faith Lutheran, Plano, TX. Since September, Micah, their youngest, is a first year pre-ministerial student just 70 miles from Bremen, at Fort Wayne at our Concordia Theological Seminary. Grandsons Andy and Matt live in the Salt Lake City, UT area, Andy and his fiancée, Jessica Green have a wedding date set for June 2003. Matt is the very busy civil engineer and an owner of his home; much interested in home improvements. Charley and Cheryl paid us a visit in June. The Utah boys came for a week-end visit in September.

THE WILDAUER'S of Wisconsin: Len is at Bonduel, Wisconsin. He is one of two pastors at the St. Paul's Lutheran Church - Bonduel. Our grandson, Mark resides at Grafton, WI. Mark and Heidi Hintze, an RN, are engaged. Their wedding date is set for August 2003.

With our church family here in Bremen we are interested in spiritual growth. Our congregation now occupying a 127 yr. old church structure are in a $ 1.4 million building program. The new building includes a 380 seating sanctuary, a large narthex, auxiliary rooms, office spaces for our two pastors, the school principal, secretaries' offices, and a new school library. It is attached to our k-8 school built in 1972. Exciting? Yes, and blessed by the Lord of the Church beyond all expectations!

After the Angels had left them and gone into heaven the shepherds
said one to another, "Come we must go to Bethlehem and see this thing
the Lord has made known to us". Luke 2:15. NEB

May the Joy, Peace, and Blessings of Christmas be with you all !

Bill and Helen Helmlinger

Dear Lucy,
I went to the Salt Lake library. I basically went through every book they have on Auglaize County. I have done that before but I had new names to look for this time. I started on films, but ran out of time. My friend Betsey says tackle the church records. But from what I know about Mary and John Louis Helmlinger, they never set foot in a church. I'm beginning to wonder if they were even ever married. Maybe they just had their 7 kids. I sent for Mary's divorce record from James Jackson, that might help when it comes.
Did I ever tell you that my Uncle Claud (my dad's brother) had Parkinson's?
I'm glad to hear that you like cats. I never did until I had one. I have a beautiful mostly white cat with some calico spots, last summer she took a nap in the lawn mower bag....when it started, what a mess. Poor thing lived through it though, but now she is missing an eye. She is still pretty to me though! Her name is Eponine, because I wanted a French name and my kids wouldn't let me name her Antionette.
I hope you get over to Ft. Wayne soon, and that your husband is feeling good.

Dear Lucy,
That's pretty sad. Maybe somebody in the Shelby Co. Historical Society could help. Seems like my dad had cooperation from that county a few years ago. You know what, I don't know if Shelby Co's records are all that great. I still can't find a birth record for Ernest, John Louis' youngest son. I got his obituary this week, it says he was born in Port Jefferson. And I think Mary and John Louis were married in that county, too. Ernest's obit said that he was sitting in a bar at 3:30 in the afternoon when he collapsed and was DOA at the hospital. 3:30 in the afternoon he was drinking in a bar? What a sad life. There were no known survivors. He had 2 failed marriages, no kids, never knew his parents.... This is getting depressing. Maybe somebody on the Shelby Co. mailing list would look up your divorce record. I'd try it. That's how I found Ernest's obit. In Peoria, IL.

Hi, Ann, Received a letter back from Shelby Co. Courthouse that they don't have the staff to look up a divorce record...suggested I hire a researcher! The period I was requesting was from 1874 to 1883...9 yrs. How many divorces do you suppose there were back then....I felt a little frustrated when I read the letter. Here in Defiance Co. someone would take the time to look in a nine yr. period. I was checking on Michael aka Milton and Annie Johnston. Since they were married in 1874 and he married my gt. grandma in 1883., thought there might be a divorce in that time period, unless Annie Johnston Helmlinger died....and we haven't run across a death record for her.

Dear Lucy,
Have you looked through the County Infirmary records? That's where John Louis was living when he died. And his daughter lived there when she had a baby there. It was the Auglaize Co. Poor House. Such distinguised ancestors. People out here have pioneer ancestors who crossed the plains with handcarts, and mine died in the poor house. Sometimes I have to laugh I suppose! Anyhow, I don't have a scanner. The lady who found the obit just sent me the info in an email. Here's what it said:

>From the Peoria Journal Star, Tues., Nov.29, 1966, Page A8
"Ernest Heminger
Services for Ernest C. Heminger, 67, of 1002 N. Adams St., who collapsed in a northside tavern Thursday and was pronounced dead on arrival at St. Francis Hospital at 3:30 p.m., will be 1 p.m. tomorrow at Wilton Mortuary, where friends may call from 6 to 9 today.
He was born at Port Jefferson, Ohio, June 19, 1899 and has no known survivors."

Today she went to the mortuary and found their record (isn't she nice?). It said Ernest's father was John L. HEMLINGER, and mother was Mary J. KEIZER or KEISER. He died of myocardial infarction (is that a heart attack?). He is buried in Pottstown Cemetery, Peoria Co., IL. The minister's name was Harold Brown. No name of informant or who paid for the funeral. His occupation was carpenter.
He probably learned carpentry at the youth home he grew up in. I'm pretty sure now that Jennie KISER and Mary COTTERMAN are one and the same. Mary Jane must have married Andrew J. Cotterman she was living with in 1900. But why didn't he want Ernest? He had 2 sons also at the time, Raymond and Ernest. Two Ernests. Maybe the confusion was just too much for him.
Do you know French? There are French genealogy sites, but I can't read them. I found a couple Helmlinger names there though, just by clicking in boxes that looked the same as ones we use on Rootsweb, etc.
Did you know that you can order Ohio death certificates for $1? From the Ohio Historical Society. But they are only recent, from 1908. But I am ordering a bunch that might help with John and Mary. Why couldn't they be named Theophilus and Cordelia or something unusual?
That's sad about poor Aunt Margaret. My neighbor Betsey says I have to "buck up", because I was getting too depressed about Ernest. She says, "You will probably find out that he did have children and his 2 ex-wives wouldn't let him see them, so be brave now."
Well, good luck. I guess I can't order the divorce record from Shelby Co.!
I think James JACKSON and Mary soon-to-be-HEMLINGER divorced in Auglaize Co.

Dear Lucy (again),
Hey, I have a question. I think we have been over this before, but I can't remember the conclusion. In the Auglaize County Early Births, which I have a xeroxed copy of the HELMINGER page, there are: John L., b. 1848, father Jacob, no mother listed (of course, but why on earth would they not put her name? Is it that hard to figure out who the mother is at a childbirth?)
Then there is Michael, b. 9 Jun 1849, that's close to John, but I thought Michael was b. 1850. His father is listed as Jacob, mother Elizabeth THOMAS. Then there is Philip, b. 11 Oct 1849, father Jacob, mother Elizabeth THOMAS. I am so confused. Who is this Philip? And how come they have THOMAS? I would like to see the original records, this is a transcription, typed up by someone who possibly misread the records.

Dear Lucy,
Well, last night I was typing away to you when the power flipped off. We have been having a lot of wind. January thaw, too.
You know what, I bet the county coroner just put that on Ernest's death cert. There wouldn't have been money for an autopsy. Well, maybe he had a medical history, who knows. My dad's dad died of a stroke at 45. It sounds like your mother endured quite a bit. This mortal life can be pretty hard, huh? I am so glad that you haven't had the same problem.
Which half brother are you referring to? Jacob, Christian, or George? I don't have his Civil War record. Have you ever heard of Janice Pate? She is researching the HELMLINGERs, too. I found her on the internet somewhere, I forget where. Anyhow, she is interested in Alsace, and will send me more Monday - that's today, but I bet she forgot today is a holiday, she has to email from work. Another lady I found is "Elisabeth", she lives in France, her letters are so cute. She said that there is a village "Helmlingen", have you ever heard of that? Anyhow, she knows somebody over there that has done a lot of research, is familiar with the Ludwig/Christina MUNCH line, has it going back to France, to Balthasar. We think Jacob, father of John Louis and Milton is this Ludwig's brother, right?
Have you found Milton in the 1870 Ohio census? There is an index out, put out by Heritage Quest, somebody has it on the Auglaize Co. mailing list, and found Mary Jane KISER for me. I don't know if it's the right one yet, she is living with another family, (why am I not surprised?)she is 12 years old. By 1880 she was married, had 2 kids (only 1 alive), and divorced. And missing. I don't know if her index is for all of OH or just Aug. Co.
Oh, guess what my sister pointed out? She realized that Ernest would have dropped dead in the bar on Thanksgiving Day in 1966. Just when I thought that story couldn't get any sadder.....
You sent me the picture of Milton awhile back. I wish I could find one of John Louis, I guess there's not much chance of that. I wonder what Jacob did for a living, probably farmed. Where did they learn carpentry?
I need to get a letter off trying to find the divorce record. I doubt if it will list any parents, but who knows. At least it might say what the cause of divorce was. It doesn't look like James JACKSON ever remarried. A guy sent me a picture of him last week. I am wondering how he ever ended up with Mary in the first place. The 1860 census has his family quite wealthy (his grandfather was a pioneer in the county, father lawyer, etc)and her parents, born in Ohio, couldn't even read and write and were absolutely dirt poor. Not that you have to marry in your own "kind", but it usually works that way.
Well, off to the day. Kids home from school. Guess we'll keep digging.

Lucy,
Good to hear from you! So happy that you have your computer running. I made extra backups of my genealogy for Y2K, but I haven't even checked to see if they work. I hope you can get yours to work.

I found out that John Louis's wife (2nd?) Mary Cotterman was divorced from her first husband, James JACKSON. James' family was prominent in Shelby Co. Today I found their son Clifford, on the 1920 Alabama census. His wife's name is Mary, too. So many Marys. A lady up in Lucas County went to the court house today and found the marriage license of Ernest HEMLINGER, John Louis' last son, the one that isn't supposed to be his. I think my grandfather (James Henry Hemlinger and Ernest's mother, Mary Cotterman, had too many men in her life. Anyhow, the marriage license lists Ernest's mother as Mary "?", and father Louis Hemlinger. Ernest was living in Ft. Wayne, that is where my dad & family were. He was James Henry Hemlinger's brother. How come no one knows anything about him? I am hoping to get the divorce record of Mary Cotterman and James Jackson. The 1880 census says he was divorced. I have never seen a divorce record, do you know what it will have in it? It seems like the mud has to get thicker and thicker before it will ever clear up!

Dear Clerk of Courts,

Do you have a divorce record for a Michael Helminger(also may be spelled Hemlinger or Helmlinger) and an Annie Johnston? I don't know the date, but it would be between 1874 and 1883. They were married on the 10 of August 1874 in Shelby Co., Ohio. I believe this was my gt. grandfather who later married my gt. grandmother in 1883 and later went by the name of Milton. Please advise if you have such a record and what the cost of a copy would be. Your assistance will be much appreciated.

Enclosed is my self-addressed envelope for your convenience.

lucy ---thank you soooo much for the info you sent ---my neice lois and i were feeling a bit displaced and as there was no more family all this has been enjoyable and comfortable and good to know somewhere the helmlinger name goes on ---our family pride comes from my father harry being such a wonderful man---my grandmother florence ran off with some guy when my dad was quite young --at age 14 she sent him a book on ships and he wanted nothing to do with it or her so theres nothing to tell us where she died -- i believe from stories i have heard she may have been bi-polar manic depressive --as it seems to be running in our family- Yes the helmlinger men do die young my father at 46 also my sister judith passed at 46 ---judy must have taken after the helmlinger men because from accounts of my fathers sister florence the women lived long as florence spoke of visiting her grandmother in a nursing home when she was near her 90's and she still had her wit and sense of humor ! and aunt florence passed around the age of 82 i believe ---1990 or1991 --- the helmlingers in our family seem to also have a history of intestinal/colon problems as this was the source of my fathers and his fathers death and both my sister and aunt also had divirticulitis ---in our faction of the family the women are also known to be big and tall some 6' from what aunt florence once told me ----i dont know if it is relavent to your history but harry helmlinger married helen pietrucha in 1934 had judith ann in 1935/1980 who married wallace marhoffer and had lois then married angelo sacco having patti, sandi, donna-marie, tommy and peter --- deborah frances1949-- married david westlake and had matthew alexander in1968, lian sebastian 1971 ane bryanne maire 1988 ! ; harrys sister florence married albyn huber and had 6 --william, jack, francis, marcia,mary,and ellen----marcia became a nun and ellen never married the others each had 6 kids (at least) --- aain thank you for all you have given me DHW

Pg. 131 by Wilfred Helmlinger Balthasar HELMLINGER, HEMLINGER, b. 1609, d. July 11, 1679 Bischwiller to approximately 70 years, buried to Oberhoffen on Moder, soldier to the castle of Lichtenberg, where his presence is certified since 1664. It has not been possible to this day to specify its origin place and its filiation; its name certifies perhaps that himself or more probably one of its ancestors originated from Helmlingen, small village formerly fishermen, situated to approximmately 20km(14 miles) to the North of Strasbourg, on the straight bank of the Rhine River; ulterior researches could have confirm the thing, as much that I have found a case of this gender in the parish of St.++Guillaume(Strasbourg) in the middle of 16eme century in the person of Hans von Helmlingen, fisherman to Strasbourg recorded in index under the name of

Helmlinger. Unfortunately all these suppositions are very haziness, and could have been contradicted by a fortuitous discovery, certifying an geographical and etymological origin all different. The marriage, as well as the identity of the wife of Balthasar ++Helmlinger have not been found, for lack of sources, but by exploiting to the maximum available information, it has been possible to reconstitute surely the list of 5 of his children arrived to the adult age, dates of birth all calculated according to the age of the defunct.

It has not been possible to this day to specify its origin place and its filiation; its name certifies perhaps that himself or more probably one of its ancestors originated from Helmlingen, small village formerly fishermen, situated to approximmately 20km(14 miles) to the North of Strasbourg, on the straight bank of the Rhine River; ulterior researches could have confirm the thing, as much that I have found a case of this gender in the parish of St.++Guillaume(Strasbourg) in the middle of 16eme century in the person of Hans von Helmlingen, fisherman to Strasbourg recorded in index under the name of Helmlinger. Unfortunately all these suppositions are very haziness, and could have been contradicted by a fortuitous discovery, certifying an geographical and etymological origin all different. The marriage, as well as the identity of the wife of Balthasar ++Helmlinger have not been found, for lack of sources, but by exploiting to the maximum available information, it has been possible to reconstitute surely the list of 5 of his children arrived to the adult age, dates of birth all calculated according to the age of the defunct.

Sorry but all I have is birth date 1827, marriage date, 10 October 1840, death 1850, most likely in Shelby Co. Oh. John Jacob may have married Catherine Zorn before Elizabeth,She died 1850 After his death, children scattered all over Ohio. Some were indentured to other families for board & room. Indians may have raised one of the boys. Apparently, Catherine died shortly after 1840 and John married Elizabeth. After john died, Elizabeth married a man named Wm. Blakely 28 Aug. 1853 My information came from my uncle Louis Herman Hemlinger of Pittsburg. His daughters may have more info as this is 20 year old data. Sad we haven't kept in touch with them. They may still live in the Pittsburg area. Martha born 2 Jan. 1942, Elizabeth born 7 Jan. 1943 And Mary Lou.

I have some imformation compiled by my uncle, Louis Herman Hemlinger. My dad is Robert Richard Hemlinger. My grandfather was John Jacob Hemlinger, my great grandfather was John Louis Helmlinger or Hemlinger. The information I have is only as far back as My great great grandfather, John Jacob Helmlinger, born 1816 in Alsace Lorraine, Germany or France, (territory changed often) Emigrated to the US at age 20 died 1850 (most likely Shelby County, Ohio) Married Elizabeth Lewis 10 October 1840 her birth 1827. May have married Catherine Zorn before Elizabeth she died 1850

Unfortunately all these suppositions are very haziness, and could have been contradicted by a fortuitous discovery, certifying an geographical and etymological origin all different. fishermen, situated to approximmately 20km(14 miles) to the North of Strasbourg, on the straight bank of the Rhine River; ulterior researches could have confirm the thing, as much that I have found a case of this gender in the parish of St.++Guillaume(Strasbourg) in the middle of 16eme century in the person of Hans von Helmlingen, fisherman to Strasbourg recorded in index under the name of Helmlinger. Unfortunately all these suppositions are very haziness, and could have been contradicted by a fortuitous discovery, certifying an geographical and etymological origin all different. The marriage, as well as the identity of the wife of Balthasar ++Helmlinger have not been found, for lack of sources, but by exploiting to the maximum available information, it has been possible to reconstitute surely the list of 5 of his children arrived to the adult age, dates of birth all calculated according to the age of the defunct.

Dear Lucy,
My neighbor Betsey and I are attacking this HEMLINGER mess with a vengence. Well, actually she is. She is a genealogy freak, and with all the know-how to go with it! She even goes down to the library (we have census records in Ogden) and looks without me. Anyhow, she wants to know more about Fredrick RINEHART and Elizabeth LEWIS/HELMLINGER. Did you ever find them on the 1870 or 1880 censuses? What else do you know about them? Have you ever found the boys in 1860? That is the craziest, because they should show up somewhere, even if they are with another family. I have found that Mary KOTTERMAN/KAISER/HELMLINGER whatever her name was, was divorced from her first husband. Did I tell you that already? A couple days ago I found the marriage record for her - actually a gal named Martha on the Auglaize Co. mailing list found her - to James JACKSON (husband #1) named Mary Jane KEISER. And a birth record for a little girl named Edna, with parents James JACKSON and Mary RISER (I'm sure that's supposed to be KISER). Would you think that Jennie would be a nickname for Jane? Betsey thinks maybe her mother's name was Mary Jane, too, and that's how they differentiated them. We found a census record with Mary and a daughter named Mary. Anyhow, sorry to go on and on. Please tell me what you have on Fred and Elizabeth, I saw your letter you sent me a few days ago, and now I can't find it.
THanks, Ann

Milton died 18 Oct 1914 in Defiance Co., OH., at 66 years of age. Cause of death:Aortic Regurgitation. MILTON HEIMLINGER(faded , undated newspaper clipping)

Milton Heimlinger was born in Shelby County, June 8, 1848, was united in marriage to Lucy A. Knestrick in 1883 in Van Wert County, moved to Mark township in 1899, and departed this life Oct. 18, 1914. To this union was born two sons and two daughters, one son preceding him to the better world. He leaves to mourn their loss, a wife, one son, two duaghters, two grandchildren, five step-children, one brother, one sister, and a host of friends. A precious one from us is gone, A voice we loved is still, A place is vacant in our home, Which never can be filled. CARD OF THANKS-We wish to express to our neighbors and friends who so kindly assisted us during the death of our loved husband and father, the singers for their appropriate music; also the pallbearers and neighbors for their beautiful flowers. Wife and children. Among out of town friends here to attend the funeral were Mrs. Frnak Counseller and son Glenn of Van Wert, Harris Knestrick of Mt. Gilead, Frank Caswell and wife of Lansing, Mich., Elmer Wheaton of Sherwood, Earnest Eitniear and wife and louis Hemlinger and wife from Defiance.(note should be Hemlinger and Harris should be Horace)

His body was interred 20 Oct.1914 in Delaware Twp., Defiance Co., OH., Sherwood. section B lot 22 (Note: On 10 Aug. 1874 Shelby Co., OH. a Michael Helminger married Annie Johnston-baptismal record gives name of Michael with Milton's birthdate. was Milton(alias Michael) married before? On death certificate of Milton, it lists Elizabeth Huewt as Milton's mother,(Could Lewis have sounded like Huewt? Father was listed as Jacob-also listed mother's birthplace as Ireland??

Baptismal record gives name of mother as Elizabeth Lewis. Milton reportedly said that his father died while holding Milton in his arms & that the mother could not raise the chn. & they were brought up by the Indians. (His dau. Daisy told her dau. Erma that the name of the Indian tribe was a short name-possibly Weas??) In the history of Elkhart Co.,IN. Christian Helmlinger tells of his father's death & how the chn. were scattered.(these facts fit Milton's story).

July 11, 1679 Bischwiller to approximately 70 years, buried to Oberhoffen on Moder, soldier to the castle of Lichtenberg, where his presence is certified since 1664. It has not been possible to this day to specify its origin place and its filiation; its name certifies perhaps that himself or more probably one of its ancestors originated from Helmlingen, small village formerly fishermen, situated to approximmately 20km(14 miles) to the North of Strasbourg, on the straight bank of the Rhine River; ulterior researches could have confirm the thing, as much that I have found a case of this gender in the parish of St.++Guillaume(Strasbourg) in the middle of 16eme century in the person of Hans von Helmlingen, fisherman to Strasbourg recorded in index under the name of Helmlinger. Unfortunately all these suppositions are very haziness, and could have been contradicted by a fortuitous discovery, certifying an geographical and etymological origin all different. The marriage, as well as the identity of the wife of Balthasar ++Helmlinger have not been found, for lack of sources, but by exploiting to the maximum available information, it has been possible to reconstitute surely the list of 5 of his children arrived to the adult age, dates of birth all calculated according to the age of the defunct.

Born in France in 1838, Sophia was the fourth of the six children to leave the country with her parents & make the journey to the new world. Growing up on Ohio, she married Christopher Klopfenstein in 1858, & the couple settled in Pusheta, Ohio.

Records regarding Sophia's family are somewhat confused & it is not certain exactly how many children she had. The 860 U. S. Census show's her & Christopher farming in Pusheta, County, he at age 39, & her at 22. Enumerated with the couple are two children, Sarah age 11, & Christian H. age 9 months, Auglaize County records show no birth for Christian or Sarah & the first child to appear in these same records is John Adam born to them in 1860.

The 1870 census for Pusheta Township lists them still farming on real estate valued at $2000. 00, having personal property valued at $635.oo & both born in France. Listed with the couple are 5 children ranging in age from 10 years to 4 years, & a Magdalena Swivel, age 60, born in France & working as a domestic servant. With the exception of the son Christina now 10, the other four children listed match both Auglaize County & St. Marks Church records for the children born to the couple. The census does not show Marie Elizabeth who was born in 1866, & since a record of her death has not yet been located, she may have died prior to the census being taken.

Sophia Zwiebel, born February 19th, in Rothbach, Bas-Rhin, France, & died May 25 1881, Clay Township, Auglaize County, Ohio.

Descendants of them are
Christian A. born 1859
John Adam born October 9th, 1860
Michael born May 27th, 1862
Magdalena Sophia born April 14 1864
George William born March 1 1865
Marie Elizabeth born February 13th, 1866
Caroline Katherine born March 30th, 1876

Grandpa Louis Married Grandma Madge Ethel Clayton on Sept. 7, 1904.
Her Dad was:Euphratus J. Clayton of Marion Co. W. Virginia
Her Mother was Agnes F. Prichard of Marion Co. W. Virginia. They were married on May 29th, 1866.
My Grandpa Louis & Grandma Madge had 6 sons & 2 daughters (the one daughter died at birth).
I hope this helps you. If you happen to have any information concerning William, Dora Belle, or Louis William DeCoudres I would be very interested in it and "THANK YOU" so much for the Documents on Dora & her 3 husbands.

Miss Elizabeth Metz, all her life a familiar person to the people of Montra & Botkins vicinity was born March 15th, 1857, in Dinsmore Township, Shelby County, Ohio. She was the daughter of Christian Metz, & his wife Sophia nee Helmlinger. Responding to the Savior's command & promise to the parents brought her thru baptism to the Triune God April 26th, 1857. Seeing that she had the misfortune of being a deft-mute her early schooling & training were provided for her at the State Institution in Columbus, Ohio. Her spiritual life was no means neglected. She wore them out by applying herself to them considerably & they were replaced from time to time with new. She was glad to come to God's House, even though she could not participate fully in the hearing or singing or prayers, she followed them in her own way. While she thus showed that her faith & hope of salvation was founded securely in Christ Jesus how much more may not the Lord expect of those who have every advantage of bodily powers senses & members all unimpaired yet allow the weeds of sin to choke up the Lord's House? Unto whosoever much is forgiven of him shall be much required. Two brothers & two sisters preceded her in eternity. Surviving her in the immediate family are J. C. Metz, of Dinsmore Township, J. C. Metz, of Jackson Center, Mrs. L. P. Wildermuth, of Jackson Township, Christ Metz, of Jackson Center, & Mrs. Louis Kies, of Botkins. Miss Metz reached the advanced age of 76 years 8 months & 23 days. Forced to remain abed for the last 12 weeks she endured much suffering from which she was given sweet release December 13h, 1933, according to her off repeated prayer & wish. Burial was December 15th, in the cemetery adjoining St. Jacob's Lutheran Church. "He that believed & his baptized shall be saved" Blessed are they for they died in the Lord.

Subject: RE: Helmlinger family tree

Lucy, my address is 920 6th ST. SE, Rochester, MN 55904. Just let me know how much I owe you for the copies and postage and give me your "snail mail" address. My great grandparents were Oscar and Edna Helmlinger. They had 4 children and 1 adopted child. Nadine, Vena, Vera (twins), Oscar(Jackie) and Robert was adopted. Vera and Jackie died in infancy and early childhood. Vena died in the late 1980's. As far as I know Nadine is still alive, although I do not have her current address. My father, Robert Joseph is the son of Vena Helmlinger and an unknown person ?Mclaine person. It would seem that Vena's parents adopted her son because she was unwed. I am assuming all of this because I have never been officially told this. Although I did find out that Vena was my grandmother and not my Aunt when my Grandpa Oscar died. What a big family secret!!! Well, my father married Beverly Ann Stevens and he adopted her son Michael, and they had me and my sister Sheri. They have since divorced and Robert has remarried 2+ times and I no longer have any contact with him. I do know that he had one daughter Hilaree with his second wife. Upon looking at your ancestory, I was wondering where Balthasar came from. I looked up the area of Alsace-Lorraine and it was very interesting with the changes of "ownership" throughout the years. How long have you been researching your ancestory? Has it been very difficult? I think it is just fascinating to find out about where I come from. I am having a hard time finding out where my great grandmother comes from. She was Oscar's wife. I know that she was born in Cato,crawford county, KS which was a very small place. Do you have any suggestions for me? Please write back--Desiree

What can you tell me about Christain Helmlinger, born 1820 and moved to Elkhart, Indiana. I do believe he was a distant relative of my mother, maiden name Aleda or Aletha Helmlinger. I know my mothers relatives came to America from Alsace, France and I believe she is a decendent of Christain. I have more information, but not with me now. Will research this further in a couple weeks. My mothers family grew up in Breman, Indiana, a short distance from Elkhart, Indiana

Subject: Helmlinger Family

Lucy,

I got your name from the Genforum. I am cousins with Edith Faasse, Judy Gelormini and Cheryl's dad, Dennis. I am also Christine Cooper's uncle. My name is Tom and I am their uncle Alfred's son.

An accident has laid me up for a bit and I hope to put this time to good use by doing some genealogy work. I noticed that you said that you had some info as far back as Balthasar. Would you be willing to share some of this info so that I don't waste time or resources duplicating the work of others? Any help would be greatly appreciated.

Also, is there a direct link between the new jersey helmlingers and those in ohio and other parts of the midwest? My son is in the service and met a Helmlinger from Iowa. He has been asking me if they are related and how far back.

Again thank you for any assistance you feel you can provide.

Lucy, Thank you so much for the website for Crawford Co. Ks. I found my great grandmother, as well as my 1000+ ancestors. I am so excited. Her family goes back to England, then to Plymouth Mass. It will take me 20 years to sort out all of my ancestors. Yes, I work at St. Mary's Hospital which is one of the hospitals at the Mayo Medical Center. I work as an RN on a Medical Intensive Care Unit. They keep me pretty busy. Since your advice worked so well for my Willits line, maybe you have some advice for my maternal grandparents on her father's side. They came from "Yugoslavia" and I don't know if they were Croatians or Serbs. They changed their name from Stefus to Stevens but I don't know exactly when. I have a list of 14 names from the Ellis Island web site. Any suggestions? Thanks again.

I think I emailed you about Ann getting married in July. She has moved to Maryland. Her email address is still the same (even the name) but it took her quite awhile to get it set up and back in business. Your messages should go through okay now. Her address is Ann Hawkes, 4360 Wild Filly court, Ellicott City MD 21042, phone 410-461-7448. I talked to her Monday evening and everyone is fine, very busy getting ready for the holidays. Between them they have 11 children and 5 grandchildren!

Hello Lucy,

I'm glad some of the information was useful. Most of it was just tidbits of information/history. Well, as you can see, I live in OH too and I have been thru Defiance just once.

I hope you will excuse the printing - my printer is new and needs some work already. Anything from the web prints fine but whenever I use word processor or receive email it doesn't print without lines and smudges. Can't figure it out.

This information is from Clermont County History:

I'm almost positive there is a link between Clermont & Warren Counties. My dad, who is 91, remembers Clermont County being mentioned and by the same names being seen over and over it seems there must be a link.

The first Knott who came to this area was Ignatius Knott and I have some information on him. He was born 17 Apr 1747, died 15 Jul 1835; listed as a trustee Nov 1802; voted 1803; sold 60 acres to Samuel Perrin 1815; owned property in Jackson Twp. (probably did not live there). Applied for War Pension May 1833 (Revolutionary War Veteran).

If you are interested in purchasing the book "A Pictorial History of the Maineville Crossroads" by Steve Harmon, I can give you the address. I bought a soft cover for $30.00 plus $5.00 P & H. Dr. Steve Harmon, 71 E Foster-Maineville Road, Maineville, OH 45039

My address is Marilyn K. Taylor, 1066 Willow Lane, Mason, Ohio 45040.

Please keep in touch - Yours is the first contact I have been able to find. Who knows - we are probably shirt tail cousins. Oh yes, I can go to the Murdock cemetery and take pictures if you like. Let me know. NO FEE for anything. I see it as a trade-off and like I said we might be kin.

Jacob Leininger Pioneer Jackson Township Resident

Helped Develop Jackson Township from Swamp & Forest To A Most Fertile Township

Helped Improve Old Muchinippi in the early days With Pick, Shovel & Spade. Reared a Fine Family.

One of the pioneer residents of Jackson Township who in days gone by was a frequent visitor in Sidney was calling on some his old friends here a few days ago. He comes not as frequent as he once did but the same good fellowship & integrity & smile, which is always, has & still makes him a most welcome visitor. Jacob Leininger who reaches his eighty-second milestone in May has seen Jackson Township develop to one of the most fertile sections of Shelby County, & has given of his strength in that development. He was born in Clay Township, Auglaize County, Ohio, where as a boy he assisted in clearing his father's farm. When just coming to manhood he crossed the county line & built himself a log cabin in the woods on what is now known too every body in that vicinity as the old Leininger farm. Old Muchinippi was to assist in bring the swamp of that vicinity to their own & Mr. Leininger did his share on that early drainage improvement. It was not done as today. Instead each farmer dug the ditch across his own farm & connected the improvement with his neighbor & it was dome by pick, Shovel, & spade. He was one of the first thresher men of the territory, which he followed some fifteen years he had the misfortune early in life to be crippled by having one of his hands caught in the machine. This misfortune stood not in his way. There was work to do & in ditching & farm work he found a way to make use of this crippled hand in doing it. Active in interests looking to the welfare of his community he was always to be found at conventions, community gatherings & he never failed to exercise his rights of suffrage at the polls. He served his township as assessor & as trustee. He belongs to the I. O. O. F. & the Masonic Order & the same interest he has shown in other lines of endeavor has always been manifest here. A congenial home, Mr. & Mrs. Leininger raised a happy family most of who reside in the Jackson Center vicinity & are sturdy & dependable residents of the community. They are Mrs. Joseph Dieringer, Mrs. Louis Helmlinger, Mrs. John Mann, Mrs. Jacob Zorn, Mrs. John Shuler, Mrs. Fred Zwiebel, John, & Albert Leininger. Mrs. Leininger, the companion of so many years passed away about three years ago but in the watchful care of his children he finds repayment for the interest he manifest in his growing family. Great changes have come over the country during his long & useful life. Mr. Leininger has aged as the years have gone by but the cordial greeting & human interest is just the same a trait, which makes so much for true happiness in life.

Dear Lucy,
I contacted this lady and so far, I don't think it's the same family. What a coincidence, huh? But maybe somewhere along the line....
Anyhow, yesterday I went down to the Ogden library - they have the census films there, but not the indexes - and found Mary JACKSON (remember my Mary HELMLINGER was first married & divorced from James JACKSON) in the 1880 census, living with Sey COTTERMAN and his family in Shelby County. She had a little baby with her I had never heard of, was divorced, and was listed as Sey's sister-in-law. Well, to make a long story short, I had an old email from a Cotterman lady who is descended from this Sey. How excited I got! I'll be a monkey's uncle (I probably am a monkey's granddaughter or something like that), Sey's wife had a sister named Mary and I don't think this is my Mary either. Blasted Mary, she is hiding pretty good.
Do you want to put your birthday on the HEMLINGER site? I put a childhood picture of my dad's siblings on yesterday, and a picture of his mother and sister. I am looking for a good picture of my dad, but I can't find the one I want.
I am going to try Michigan. James Henry HEMLINGER's marriage certificate says he was born there, but I've never been able to find any evidence of that. Maybe Mary ran off up there after she got divorced and lost her 2 little kids.
I hope you have a good weekend.

I didn't make it to the chat room tonight since my daughter was on the tel.

Notes for ALBERT SYLVESTER ZWIEBEL , JR.:

A beautiful tribute was paid the memory of Private Albert Zwiebel, Jr., son of Mr. & Mrs. Albert Zwiebel, of Montra, Ohio, during the funeral rites Monday afternoon in St. Marks Lutheran Church in Clay Township, Auglaize County, Ohio. The young soldier lost his life last Tuesday when he was drowned in the Gulf of Mexico after a simulated combat jump made with 116 other paratroopers. He had been in the service since last December 7th, at the time of the tragedy was in training at Camp Gordon Johnson, Florida. The remains were brought back to the home of his

parents near Montra, Ohio, for the funeral rites, held from the church at 2 o'clock of which the young paratrooper had been an interested & faithful member. The Rev. J. C. Kettler, pastor, officiated & used for his text the 14th verse of the 27th Psalm, Waite on the Lord; be of good courage, & He shall strengthen thine heart: Wait, I say on the Lord' & also based part of his message of consolation on verses 28 to 31 of Isaiah 40. Rev. Kettler presented in particular in his sermon the blessed invitation given in the text to wait on the Lord, how it is a course of great comfort & holds a glorious promise. He told how Pvt. Zwiebel was confirmed in his youth, was faithful in attendance at church service & how he was home on furlough, was at service in the church & partook of Holy Communion before his return to camp. Interment was made in Glen Cemetery, at Port Jefferson, Ohio, where full military honors were accorded Pvt. Zwiebel by the members of the Jackson Center Post of the American Legion, with Teddy Korn, of Montra, Ohio, playing taps. Pallbearers were members of the American Legion, & the honorary pallbearers were cousins of the deceased. July 17th, 1945

The church & life in general in the county fill impotent places in the lives of Mr. & Mrs. William Zwiebel, well-known Jackson Center residents. The couple celebrated sixty years of marriage on Saturday January 20th. Although both are octogenarians they are spry as many people half their age & take great pride in looking back over their many years as faithful members of the Lutheran Church in Montra & "as just farm folks". Both are great farmers * show their love of rural life in all their conversations with family & friends. Their son has almost four years since the couple moved into the village of Jackson Center from their farm but both take an active interest in the places owned it. Mr. Zwiebel has been a member of St. Marks Lutheran Church, Clay Township, even since he was born; the original church was build when he was a year old. For many years he served as an elder & trustee of the church & was a member of the building committee when it was rebuild not to long ago. Both attend church just often as they are able, & weather conditions permit for they firmly believe the church is the answer to many problems of the world today & everybody should go to church whenever they should possibly can. Mr.Zwiebel has farmed practically all his life. The first three years he & Mrs. Zwiebel were married were spent in Wapakoneta where he worked in a shop. He sawed rimes for buggy wheels. They then moved to Auglaize County & farmed there for the next three years. For almost fifty-one years Mr. & Mrs. Zwiebel lived on a ninity0six area farm two miles northwest of Jackson Center, the place where they're son Herman, & his family now living. He actively framed forty-forty-five years. & then turned the work over to his boys finally moving into town almost four year later. "I'd sooner be on the farm now' commented Mrs. Zwiebel but she still has her garden to keep her busy in the simmer time. "It feels better to do a little-something," she said & won't let her husband help her in her tasks. She's a great hand with flowers & raises all varieties. Before time fro planting in the spring she had chosen seeds from the various catalogues & she is all ready to begin when the ground is ready. Mrs. Zwiebel likes summer best when she can be out-of-doors in her garden & among her flowers for winter-time is lonesome she pointed out. Last summer she harvested eighteen bushel's of potatoes from her plot of ground. But Mr. Zwiebel isn't; lazy either, just because he's retired. Friday morning he split three wheelbarrow loads of wood for the kitchen stove. He goes out to the farm with the boys to keep an eye on them & what's going on. Driving the tractor is about all I do now, he said but enjoys doing that. He helped cut all the corn last fall on his son's farm. The Zwiebel's own a car & go just about any place they want to although Mr. Zwiebel doesn't drive much at night. Each must give in & forget say the Zwiebel must give in & forget say the Zwiebel's to get along happily in life. "Once in awhile we have our little disputes & have learned to do just that. Both are in very good health & besides doing the extra things around their home. Mrs. Zwiebel does all their housework & a little sewing "just for her own use." The marriage of Mrs. Caroline Wildermuth & William

Zwiebel took place on January 20th, 1891 in the parsonage of the Lutheran Church west of Montra, with the Rev. Lewis Serr performed the ceremony/ the bride of sixty years was the daughter of Jacob & Sophia (Metz) Wildermuth, & home was four miles northeast of Jackson Center. She has one sister living who is Mrs. Sophia Allenbaugh, who resides with a son in Wapakoneta, & Lewis Wildermuth living on a farm in Jackson Township. Mr. Zwiebel was one of eleven children born to Philip & Sophia (Kossel) Zwiebel & he is the last of his family. They resided in Auglaize County. Both were twenty-year old when married, Mrs. Zwiebel observed her eightieth birthday on October first & Mr. Zwiebel will be eight-one years old on March 11th. The couple is justly proud of their fine family. They were the parents of six children five of whom are living. One daughter, Marie passed away four years ago this month. Their other daughters are Mrs. Margaret Peacock, of Jackson Center, Mrs. Clara Rice, of New Bremen, Gust Zwiebel north of Jackson Center, Harley Zwiebel two miles west of Maplewood, & Herman near Jackson are the three sons. Grandchildren total eleven in the Zwiebel family & twenty-five great-grandchildren have been added to the family circle in recent years. To make the occasion of their sixtieth anniversary an especially happing one. Mr. & Mrs. Zwiebel planned a family basket dinner on Sunday in their honor. Enjoying the day with them, were Mr. & Mrs. Gust Zwiebel, Mr. & Mrs. Oscar Peacock, Mrs. & Mrs. Ralph Zwiebel, & Cheryl, Mr. & Mrs. William Regula, of Jackson Center. Mr. & Mrs. gene Fogt, & Paula, of Anna, Mr. & Mrs. Robert Rice, & Junior, of New Bremen, Mr. & Mrs. Robert Eveslage, of Cincinnati. Mr. & Mrs. Harley Zwiebel, Thomas, Frederick, Donald, & Myra, Mr. & Mrs. Edwin Zwiebel, Judy & Sharon, of Maplewood the host & hostess & son Barnard.
